- Streets – Jesse James Garetson – As of 4/4/2022 my visit with Ramon Reed and Jim at Gunnison Valley Excavation, I released their snow removal equipment from Pitkin. I also visited with Jim for possible services this summer on ditches and culverts. We need at least 6 blocks of ditches with a mini-excavator with a 12” wide bucket (which they have). We did not discuss their price per hour. Jim said he would like to “jump start” the 2022-2023 winter snow removal with early markings of culverts, telephone and electric risers. I would like input as to how many feet of culvert we want on numbered streets and lanes. I recommend 12” diameters, 40’ on numbered streets and 20’ on lanes.
- Ditches – Vacant – No report
- Cemetery – No report until May or June 2022
- Town Hall – Garry Winget – The draft application for the grant will be submitted to the State this week, and the final draft will then be submitted after Mr. Winget receives comments back from the State.
- Parks and Rec – Sara Lamar – Draft 9<sup>th</sup> Street park diagrams for the gazebo and picnic tables have been submitted to the Town. A letter was sent to Mr. Rick Jones regarding his encroachments onto 9<sup>th</sup> Street. The letter was sent via USPS and email. No response has been received. A copy of the letter was included in the Board’s meeting packet this month. We are waiting to hear back from CIRSA regarding ADA requirements for parking and access at the 9<sup>th</sup> Street park.
