Reports

- Building Inspector –Tom Gibb (Interim) – There are 2 permits currently pending approval – one for a new house/OWTS and one for a storage building
- Fire Department – Rand Makowski – No report
- Zoning Board – Jesse James Garetson – No report due to no recent business
- Environmental Health – Cyndi Wick – No report
- Streets – Jesse James Garetson – I have continued to place $\frac{3}{4}$ " road base on both sides of Main Street pavement and fill potholes. The rains that followed Mag Chloride application have diminished its effectiveness. I've also moved loose gravel at the edges of State Street back to the center of the roadway. I've installed more 15mph ATV and 25mph Auto speed limit signs and moved the portable radar from Main Street to State Street.
- Ditches – Vacant – Fred Archuleta and Jesse James Garetson have unofficially taken on ditches since the resignation of John Rowan. Fred is checking ditches twice a day. Any time a property owner mows, it would be great to check their downstream ditches. I (Jesse James) had not realized Pitkin owns a riding lawn mower, a push mower, and 4 weed-eaters. I have revitalized 3 weed-eaters and the Craftsman has been cannibalized beyond repair. I bought a new Craftsman M125 push mower from Ace Hardware. Perhaps property owners would like to operate this equipment on the city rights-of-way.
- Cemetery – The Cemetery Board held a meeting on June 29th. The Garretsons, Sharptons and Rossmillers attended making a total of 6 persons, plenty for the quorum requirement. Two members were absent. A work day for clean up of the Cemetery is tentatively scheduled for July 19th. The Remembrance Wall was discussed. I am working on staining all parts before they are moved to the site for final assembly. The final assembly on the Cemetery grounds is tentatively set for mid-August. Work on new fencing around the property is still in planning. There has not been any activity with plot sales or new internments. The next board meeting is scheduled for August 10th. Official notice of planned meetings or activities will be posted as appropriate.
- Town Hall – Garry Winget – No report
- Parks and Rec – Sara Lamar – Please see agenda item 7-4
