- 1. Call to Order:** Chairperson **Jesse James Garetson** called the meeting to order at 7:02pm. Zoning Board members Ed Herman and Ed Pianalto were present. Zoning Board members Gayla Gibb and Rodger Lull were absent. Minutes taken by Clerk Sara Gibb.

NEW BUSINESS:

- Clarification of the location on the Town’s website of the Town of Pitkin Fee Schedule.

Zoning Board member Ed Pianalto listed the locations of the fee schedule online.

- Discuss and vote on Section 17-H of the 2022 Zoning Code for recommendation to the Board of Trustees for open Building Permits greater than 2 years.
 - USPS Return Receipt required on all expired Building Permit notifications.
 - Renewal fee for the extension of the expired Building Permit(s).

Zoning Board Chairperson Jesse Garetson would like to follow through with this and says there should be a fee for a renewal. Zoning Board member Ed Pianalto agrees with the fee for a renewal because it requires the Building Inspector to follow up. He further stated that any correspondence with property owners should be sent with return receipt requested. Zoning Board member Ed Herman asked how long a permit would be allowed to go on. How many times can someone keep renewing? Zoning Board Chairperson Jesse Garetson wants to follow up on the current outstanding permits with return receipt requested. There was a question about grandfathering permits that are already open. There was discussion about how to define when a project is “complete” due to the variety of projects within the Town of Pitkin.

Rodger Lull (via email) would like to extend a permit length to 3 years. He believes 2 years is too little time.

Motion to add to Section 17H that the Zoning Board send all expired permit notifications via USPS return receipt required and to charge a \$75 renewal fee for expired permits after 2 years is complete made by Zoning Board member Ed Pianalto. Seconded by Zoning Board Ed Herman. Motion carried 3-0.
