Reports

- Building Inspector –Tom Gibb (Interim) – No report
- Fire Department – Rand Makowski – No report
- Zoning Board – Jesse James Garetson – Mayor Balch and I toured the lanes and streets not on Gunnison County’s snow plow routes (that are up for independent snow plowing bids) with two employees of the road department. I felt they were favorable, now to convince Marlene and the County Commissioners to add these to their current commitment. There are still some tight dead end lanes and streets they are not interested in.

I built a water bar bump on Mesa Street to prevent spring runoff from washing down to Quartz Creek. I filled in Main Street pavement edge drop-off with 3/4” road base material between 4th and 5th Streets.

I expect to hear from Quartz Creek Company soon for the dead end lanes and streets snow plowing.

- Cemetery – Mark Rossmiller – No report
- Environmental Health – Cyndi Wick – No report
- Streets – Jesse James Garetson – Additional work completed filling potholes and gravel added to 9th Street
- Ditches – John Rowan – Ditches were turned off October 28th
- Town Hall – Garry Winget – Received notice that we did not receive the Town Hall repair grant from the State Historical Fund. Currently estimates on a concrete pad that would make the first floor ramp ADA OK.
