- Streets – Jesse James Garetson: Very little has happened over the last three months in the way of maintenance. Ramon Reed was appointed at the October meeting to work with the County for Pitkin’s snow removal. He has visited with Marlene. Sparky has traveled to Pitkin and driven the Town with Tom Gibb, Ramon Reed, and Jesse Garetson. A few adjustments need to be made, per Sparky’s request, but will have to wait as Jesse is out of commission until December. Jesse has continued to update residents who plan to reside in Pitkin for winter and will need snow removal. To date, the Town has requests for approximately 35 blocks (2 miles) of gravel streets and lanes (not counting Main and paved 9th). Jesse is excited to receive possibly 2 bids for plowing outside of the County’s possible routes or possibly for the entire 35 blocks of snow removal needed.
