

Column 1 shows the total building revenues and fees paid to the Building Inspector in 2022. Permit fees were calculated using the previous fee schedule. A new fee schedule was adopted in October 2022. Using the same permits, the revenue that would be generated using the current fee schedule is shown in column 2. Columns 3-5 show the fees that would be paid to the Building Inspector and Town revenues if a new compensation schedule for the Building Inspector is adopted.
