to me, Eddy, Jerra, Lucinda, Tom, Charly, James, Levi, Phil, Rand

Hello Sara and Town Trustees!

Rand has asked me to prepare financial information for you to review. Attached is both the Statement of Financial Position (Balance Sheet) as of September 30, 2020 and the Income Statement for the three months ended at September 30, 2020, along with Notes to explain some of the important points included in the reports. This is a complete picture of the fire department's current position.

We would like to address the Town Trustees at the next meeting on November 9. We request an early slot on the agenda, if possible. The three things that we want to focus on are:

- The budgeted amount of \$8,250 that the Town allotted to the fire department for the calendar year 2020 which we have not received.
- The lack of any amount allotted to the fire department on the Town 2021 Budget.
- Our request that the Town vacate 5th Street where our firehouse is situated and then deed the land to the Pitkin Volunteer Fire Department so that we can pursue grants to expand our facility to house the EMT vehicle that we are in the process of purchasing

I plan to join our Board at the meeting, but I welcome any questions that you may have prior to the meeting.

Thank you,  
Vikki (Archuleta), Treasurer
