

Proposal for a new Park in the Town of Pitkin

Vision: To provide a space in the Town of Pitkin for community gatherings and recreation along the Quartz Creek.

Planning Steps (may not be in order):

- Survey the town plot / 9th Street boundaries
- Extend alley to 9th Street from the North
- Determine ADA requirements for access to park
- Determine locations for gazebo, picnic tables, and benches
- Clear brush and trees along the Quartz Creek for water access
- Vacate street up to a foot on each side of boundary
- Obtain bids for creating sidewalks (cement, pavement, or road base)
- Obtain bids for extending and leveling the gravel road, including a parking area
- Determine pricing for long-lasting and zero-maintenance picnic tables and benches
