

Ditch Commissioner Report For 11-17-25
Pitkin, Colo. Trustees Meeting.

I believe our "Fire Ditches Season" has come to an end. I closed off our 2-Head gates 11-5-25. I continued to doing some maintenance on them to ready them, for next spring. Mostly removing obstructions along ditches which prevented mower access last summer. I've also completed analysis for excavator & culvert repairs for next summer.

Street Commissioner Report For 11-17-25
Pitkin, Colo. Trustee Meeting

I spent several hours marking vulnerable areas/objectes for snow plowing this winter. (orange & white poles with Blue tops.)

Bring on the snow.

Thank You,
Jesse James
